

## Submissions FAQs

### What is the submission deadline?

14 December 2021.

### How do I access the abstract submission site?

<https://www.worldhepatitissummit.org/abstracts/>

### What language can I submit the abstracts in?

Abstracts should be in English only.

### When will I know if my submission has been accepted?

Authors will be notified whether their submission has been accepted or rejected late March 2022.

### Is there a character limit for my abstract?

Abstracts should not exceed 3000 characters

### What are the guidelines for including images?

Each abstract is allowed to include a maximum of two (2) uploaded files – these could either be tables, charts, graphics or images/photos - but this is not a requirement.

### How should my abstract content be formatted?

Content should be structured into the following five (5) sections:

- Background
- Objectives
- Methods
- Results / Outcomes
- Conclusions / Lessons learnt

### How will my submission be presented at the summit?

A select number of submissions will be accepted to give oral presentations. All other submissions that meet requirements will be accepted for posters.

### Where and when will the posters be displayed?

Posters will be displayed at the Berkely Hotel, Bangkok, Thailand from 8 to 10 June 2022 and will also be available on the digital platform.

### Which category should I submit under?

Please select the category that most closely aligns to your work.

The submission review panel will have the authority to reassign submissions to the most appropriate category.

### Can I submit my abstract under more than one submission category?

No, you will be able to submit against one category per submission.

**May I submit more than one abstract?**

Yes. There is no limit to the number of abstracts you can submit. You must complete one online application form for each submission. You cannot submit the same abstract in different categories.

**Is there a submission fee?**

No. There are no fees associated to making a submission but if an abstract is accepted either as an oral or poster, the submitter needs to have a valid registration in order for it to be included in the summit.

**What are the registration fees for WHS 2022?**

Registration fees will be available shortly on the WHS website.

**Are there scholarships available for abstract presenters?**

A small number of scholarships will be offered, which will include financial support towards travel and accommodation for the presenting author of the top scored abstract submissions. Finalists for funded submissions will be assessed on the following additional criteria:

- Quality of submission
- Whether the presenting author is from a low or middle income country
- Sector of the submitting author's employment
- Importance and originality of the project and contribution to hepatitis elimination efforts

**Is the presence mandatory for participants who will present a poster?**

Yes. We ask that they participate either face to face or virtually

**If an abstract is accepted for an oral presentation will be there instructions available presenters?**

Yes. Detailed instructions will be made available closer to the summit.

**If my abstract is accepted, can I choose whether to attend virtually or in person?**

Yes. You may choose to attend the summit either virtually or in person. However, please be aware that if you are presenting, not all sessions will be live streamed and available online.
